### **Satterlee Starts Off 2010 with String of Top Ten Finishes**

**Rochester Mills, PA (April 14, 2010)** Driver Gregg Satterlee finally got the 2010 race season underway on March 27 after both the Hagerstown and Lernerville Season Openers were rained out. Gregg and crew ventured to Mercer Raceway Park, for the ULMS/UFo 'Chiller Thriller' event. Here, Gregg piloted the #22 car to a sixth place finish. Mike Knight was the winner. On Good Friday, it was off to the familiar Lernerville Speedway, where Gregg came home in the fifth slot.

The following weekend, the team traveled east for a pair of Three State Flyer Series events. The first of which was at the famous Williams Grove Speedway, in Mechanicsburg, PA. Gregg finished ninth, while squaring off against a full field of heavy hitters, including race winner Jamie Lathroum. The following night sent the team to Hagerstown Speedway in Hagerstown, Maryland. Gregg muscled his way to a third place finish from his 12th place starting spot. Jason Covert was the victor, leading every lap.

It's not hard for fans to notice that Gregg's car is sporting a new design this season, compliments of ZeroWraps.com. Gregg is also participating in the ZeroWraps.com Championship, where he currently sits atop the point standings, ahead of Crate Late Model driver Mike Pegher Jr. and fellow SLM driver, Mike Johnson.

To go with that new look, Gregg is also pleased to present a completely revamped website for 2010. [www.greggsatterlee.com](http://www.greggsatterlee.com) has a fresh new look for 2010, which is a product of Fleming Design Solutions.

Gregg would like to thank his 2009 sponsors and supporters: Satterlee Petroleum Distributors, BSS Creative, East American Motorsport, Laz Fab, Daugherty Motorsports, Joe Gibbs Racing Oil, VP Racing Fuel, Integra Shocks & Springs, Port City Race Cars, Lias Tire, Rocket Chassis, and Fleming Design Solutions.
