Gregg Satterlee Announces Launch of New Website

Rochester Mills, PA (April 7, 2009) Super late model standout Gregg Satterlee is excited to announce the launch of his brand new website, www.greggsatterlee.com . The site was produced by Fleming Design Solutions.

The site features both a bio and sponsors page, among other things. Fans can keep up to date on Gregg's schedule which includes over 70 races for 2009. The aggressive schedule has Gregg competing in Pennsylvania, Maryland, Ohio, New York, North Carolina, and even Canada!

Gregg stated "We've been kicking around the idea of doing a website for some time now, and Fleming Design Solutions was able to provide us with a high-quality, professional looking site at a reasonable price. I would recommend his service to anyone who is considering a website." When asked about his 2009 season so far, he proclaimed, "So far, 2009 has started off with some high's and low's. We picked up a big win at Lernerville a week or so ago, and it appeared we would follow that up with another win this past weekend at the Three State Flyer race. Unfortunately we broke while charging to the front, and ended up finishing in 11th. The team and I have regrouped and will be back in action again this weekend at Lernerville on Friday and PPMS on Saturday."

Gregg would like to thank his 2009 sponsors and supporters: Satterlee Petroleum Distributors, BSS Creative, East American Motorsport, Laz Fab, Daugherty Motorsports, Joe Gibbs Racing Oil, VP Racing Fuel, Integra Shocks & Springs, Port City Race Cars, Lias Tire, Rocket Chassis, and Fleming Design Solutions.
